

## 2018 OHCG SCHOOL COURSES

You must be an OHCG member to attend the Fall School, unless you are a beginner.

### BIRDS OF A FEATHER - Liz Marino

*Theme class for 2019 OHCG Annual Conference*

In this class, we will be exploring the world of birds and how to hook feathers and reflections. Pre-class we will analyze together the photo and bird you are planning to hook. This will give us our dye techniques and the type of wool to use in creating feathers. Dye formulas will be given so you can dye your own or I can dye for you.

**(NOTE:** *In order to enter your rug into the theme display at the Annual, it must be an original design.*)

### MOSAICS - Ingrid Hieronimus

A mosaic is a piece of art or image made from the assemblage of small pieces of coloured glass, stone, or other materials. It is often used in decorative art or as interior decoration. In this class we will adapt this art form into your rug hooking. Mosaic designs can represent geometric design, animals and birds, pictorial, or impressionistic. Some embellishments and creative stitches may also be used. You may use a commercial pattern or design your own. I will have some patterns available.

### WIDE AND WONDERFUL - Tina Cole

The emphasis of this rug hooking class will be hooking with wide cuts, from a # 5 to working with hand cuts. Bring your wool, textures and plaids and we will make your rug Wonderful with Wide Cuts!

## OHCG Certified Teachers

The OHCG has many talented teachers in its midst and we hope you will be able to take advantage of their skills and experience at some point in your hooking projects. Our teachers offer classes in their homes, in community centres around the province and many teach classes all over North America.

OHCG teachers offer courses in every method of hooking, from traditional and fine shading, to proddy and hooking with nylons, silk, yarn, and other alternate fibres. OHCG Teachers are located throughout Ontario, Canada and the United States..

The OHCG also offers a Teacher Training Program and Courses.
