

2019 OHCG SCHOOL COURSES

You must be an OHCG member to attend the Fall School, unless you are a beginner.

LET THE SUNSHINE IN THROUGH STAINED GLASS – Betty Calvert

Tiffany lamps, stained glass windows...we have all enjoyed the way the coloured glass transmits the light. In rug hooking we can create this effect of light shining through coloured glass by using special dyeing, cutting and hooking techniques. Once you learn this method you will find ways to apply it in other aspects of your rug hooking.

HOOKING FRACTURED PHOTOS – Karen Kaiser

Step by step you will learn how to create your own Van Gogh by taking any simple picture and turning it into a piece of art. During the class you will also learn how to make your 'fractured' picture to a line drawing and how to put it onto linen in preparation for hooking. Colour planning, design, and finishing tips will be addressed. Course is suitable for fine or wide cut

OPEN CLASS – Linda Powell

You can bring "everything under the sun" for this open class! This class offers you the opportunity to finish a rug hooking pattern of your choice OR perhaps create something new for the theme competition! Linda can assist you with a variety of styles and enjoys working with both you and your pattern to achieve the results you are looking for. Her teaching style involves problem solving, diagrams and handouts.

(PLEASE NOTE: *In order to enter your rug into the theme display at the Annual, it must be an original design.)*

OHCG Certified Teachers

The OHCG has many talented teachers in its midst and we hope you will be able to take advantage of their skills and experience at some point in your hooking projects. Our teachers offer classes in their homes, in community centres around the province and many teach classes all over North America.

OHCG teachers offer courses in every method of hooking, from traditional and fine shading, to proddy and hooking with nylons, silk, yarn, and other alternate fibres. OHCG Teachers are located throughout Ontario, Canada and the United States..

The OHCG also offers a Teacher Training Program and Courses.

[ROOKIE /REFRESHER HOOKING – Karen Lediard](#)

This course will cover equipment needed, supplies, and hooking techniques before you jump into the fun of hooking your project and do the finishing. Students will have the choice of one of three patterns that can be a small mat, a chair pad, trivet or wall hanging. You will learn what is needed to make a rug from start to finish! For those looking for a refresher class on hooking techniques, you are welcome to bring your own pattern to work on.

[INTERMEDIATE PUNCHING ALTERNATIVE FIBRE LANDSCAPES - Simone Vojvodin](#)

Fabrics, ribbons, and funky yarns- oh my! This class is a wonderful opportunity to expand your punch needle skills by exploring the use of alternative fibres to create interesting texture and beauty in a landscape. You'll learn what fibres work well and the tricks involved with using them. We'll also create a sample board for you to keep for future reference. Kit fee: \$55 includes pattern on backing, mounted sample board, small sample fibres and printouts.
