Beginner Award -- As nominated by the Teachers' Branch – minimum size of 144 square inches and is the student's first main project completed within 2 years of taking his/her beginning course. (Judging of this category will be done by the OHCG Teacher's Branch).

"Original" means that the piece is your thought, your drawing, your own work. It is not meant to be an adaptation or interpretation of another artist's design, photograph, greeting card, etc. If you have obtained the artist's written permission you may show the work, but not under the "original" pattern category.
