

Ontario Hooking Craft Guild

Regional Workshop – Area 11

October 13 and 14th, 2018

Join us at the YMCA Geneva Park setting to enjoy a weekend of hooking in the beautiful surroundings on Lake Couchiching in Orillia.

Come join Wendie Scott Davis and hook the same motif as a wide cut and as a primitive. Learn the difference between both styles. Also other hooking techniques will be discussed in class. Bring your own motif drawn on backing or purchase one in class.

Bio: Wendie Scott Davis

Since her very first loop, rug hooking continues to romance Wendy 15 years later. She loves the community, the creativity and the artistic expression and joy it provides. In 2006, Wendie completed the OHCG Teacher Training programme. Since then, teaching has become a favourite part of her hooking life. She loves working with rug hookers

who are eager to come along with her on new, and sometimes different hooking adventures.

Come hook a bird and focus on interesting background techniques behind your bird(s) with Tina Cole. As the theme for the 2019 Annual is birds, this will provide you with an opportunity to design your own bird or purchase one of Tina's designs.

Bio: Tina Cole

Tina has been rug hooking for 15 years and recently received her Accreditation with the Ontario Rug Hooking Guild and is finishing her American McGown rug hooking teacher certification. Tina is also a vendor and her business, Tina's Distinctive Colours, features Carolyn Clemens "Jewel Tone" swatches, as well as having over 350 colours of dyed wool. She loves to design her own patterns and share her hooking knowledge with others.
